+92 320 4501039 | zarghamh96@gmail.com | Lahore, Pakistan | [linkedin.com/in/zargham-haider-189492161](https://www.linkedin.com/in/zargham-haider-189492161)

PROFILE

Business Development Manager and Growth Strategist with 6+ years of proven success in client acquisition, B2B sales, and revenue growth across global markets. Specialized in platforms such as Upwork, Fiverr, and Freelancer.com, with expertise in building strong client relationships, executing sales strategies, and negotiating high-value contracts. Passionate about helping brands scale sustainably through tailored business development strategies and process optimization.

KEY ACHIEVEMENTS

- Client Acquisition & Upwork Growth: Closed multiple high-value projects, helping agencies and SMEs scale revenue.
- B2B Sales Strategy: Designed workflows that improved client retention and long-term partnerships.
- Global Market Expansion: Built sales pipelines across the UAE and Pakistan, managing hybrid and remote teams.
- Workflow Optimization: Enhanced CRM processes and proposal systems, reducing lead response time by 30%.

PROFESSIONAL EXPERIENCE

Business Development Manager — CodeSuite, Dubai, UAE (Hybrid)

Jun 2025 – Present

- Identify new growth opportunities and build strong, long-term client partnerships across international markets.
- Drive end-to-end client acquisition, from prospecting through contract negotiation, in competitive markets.
- Lead market analysis, strategic planning, and sales initiatives to exceed monthly and quarterly revenue targets.
- Oversee a team of business developers, setting targets, coaching performance, and reviewing pipeline health.
- Own key account relationships post-sale, driving upsells and long-term retention.
